PROFESSIONAL EXPERIENCE

SEPTEMBER 2016 - PRESENT & FEBRUARY 2010 - JUNE 2014

New York Living Solutions, New York, NY — *Licensed Real Estate Salesperson, Listings Manager | Firm's Tech Geek*
Provided sales and technical support for 40+ agents

JUNE 2014 - JANUARY 2016

Douglas Elliman Real Estate, New York, NY — *Licensed Real Estate Salesperson, Admin. Assistant – The LoRusso Team*
Contributed to our team winning the Douglas Elliman Chairman's Gold Award Winner (2014, 2015)

PERSONAL PROJECTS

NakedApartments.com SDK
*While in real estate it was apparent that there was a need for listing advertisement creation and posting automation. Over a 2 year period I designed, built, and sold a SaaS application that met multiple teams needs. *Over 3 million posts automated using my SDK saving ~3 minutes per post.*
v1: Python, Flask, BeautifulSoup, Requests, boto3 (DynamoDB, Lambda)
v2: Node, Express, aws-sdk (DynamoDB, Lambda), SocketIO, Angular
AWS Lambda: Python, BeautifulSoup, Requests, boto3 (DynamoDB & Lambda)
